

Nguyen Khanh Vinh

Fresher Frontend

Phone number: 0865.686.042

Email: khanhvinh30032000@gmail.com

SUMMARY

I'm Nguyen Khanh Vinh, a fresher frontend, i'm graduated from Gia Dinh University in Ho Chi Minh city.

Learning new languages and technologies is what I passionate about. I am considered a team-player because I like to help other and tend to work well within groups.

Most of the knowledge I learned by myself through youtube, documents. I want to approach the real environment to understand the system process.
